

# MucosaGenic

## Gut Lining Restorer

Gut

Immunity

Detox

Brain

## KEY INDICATIONS

- Intestinal permeability (leaky gut)
- Indigestion, reflux
- Impaired cognitive function (ADHD, autism, anxiety, depression)
- Food sensitivities / histamine intolerance
- Autoimmune or inflammatory conditions
- Eczema, psoriasis, acne
- Nutrient malabsorption
- Pre-detoxification support

## HOW IT WORKS

MucosaGenic supports intestinal barrier integrity by regulating key genes and pathways (claudin, occludin, NF- $\kappa$ B, IL-6, TNF- $\alpha$ ). Its targeted nutrients promote epithelial repair, mucin production, and microbial diversity, helping restore gut lining, reduce permeability, and support digestion, detoxification, immune resilience, and gut-brain health.

## CLINICAL PEARLS

- Pair with **EnzyGenic** to support digestive function and prevent further damage to GI lining.
- Pair with **NeuroGenic** for those with GI related cognitive impairment (gut/brain axis).
- Consider using it as a foundational repair phase before introducing probiotics or more advanced detox protocols.
- Use for 4–12 weeks depending on gut integrity goals; may continue for maintenance in chronic cases.

## SUPPLEMENT FACTS

Serving Size: 2 capsules  
Servings Per Container: 30

	Amount Per Serving	%DV
Zinc (L-Carnosine)	12mg	109%
Diamine Oxidase (DAO) (from Pea Sprout)	70,000 HDU	*
Proprietary Blend	800mg	*
L-Alanyl-L-Glutamine; Acetic Acid (Apple Cider Vinegar); Spearmint (Lf); Licorice (Rt); Aloe Vera (Ext); Berberine; Calcium Butyrate; Arachidonic Acid; Grape Seed (Ext); IgY Max™; Genistein; TUDCA (Tauroursodeoxycholic Acid)		

\*Daily Value not established.

Other Ingredients: Cellulose, Leucine, and Silica.

## KEY INGREDIENTS & BENEFITS

**TUDCA, Zinc L-Carnosine, Berberine:** Reinforces tight-junction gene expression and epithelial repair while reducing intestinal inflammation.

**L-Alanyl-L-Glutamine, Calcium Butyrate, Aloe Vera:** Fuels mucosal regeneration, promotes mucin production, and enhances nutrient absorption.

**Genistein, Grape Seed Extract, Licorice, Spearmint:** Provides anti-inflammatory, antioxidant, and gut-soothing support for barrier healing.

**IgY Max™, Acetic Acid, Arachidonic Acid:** Defends against pathogens, improves microbial balance, and supports epithelial cell turnover.

## INSTRUCTIONS

Maintenance dose: 2 capsules daily with or without food.

Therapeutic dose: 2 capsules 2-3 times daily with or without food.

## ALLERGEN & DIETARY INFO

- cGMP Facility
- Vegetarian
- Gluten Free
- Non-GMO
- Dairy Free
- No Sugar

## SAFETY & CONTRAINDICATIONS

- In general, herbs are not recommended during pregnancy/lactation or for children under 12 years of age. However, each case should be assessed on an individual basis and the practitioner, along with the patient, may use their professional judgment and decide to use the formula.
- IgY Max™ is derived from hyperimmune chicken egg yolk and supports targeted gut immune defense. Generally well tolerated; not suitable for individuals with a true egg allergy.
