

Derma μBiotic

Skin Restoring Probiotic

Skin

Immunity

Gut

Whole Body

KEY INDICATIONS

- Dermatitis
- Acne
- Psoriasis
- Rosacea
- Lupus rash
- Surgical recovery / wound healing
- Healthy aging

HOW IT WORKS

Derma μBiotic supports skin health through the gut-skin axis by promoting microbial diversity and enabling probiotics to interact with gut immune cells. This primes the immune system to respond appropriately, reducing inflammation, enhancing epithelial repair, and allowing natural skin barrier function and tissue repair to reach their full potential.

CLINICAL PEARLS

- Combine **Derma μBiotic** with **Derma Serum** to target internal immune-microbiome pathways and external skin barrier function.
- A fiber-rich, polyphenol-diverse diet with whole grains and fermented foods provides the preferred fuel for these probiotic species.
- Pair with any **Superfood** if diet is not sufficient to nourish beneficial microbes.
- For those with SIBO and upper GI dysbiosis, start with **Terra μBiotic** & **Terra Superfood**.

SUPPLEMENT FACTS

Serving Size: 2 capsules Servings: 30

	Amount Per Serving	%DV
Skin Probiotic	30 billion CFU**	*
<i>Ligilactobacillus salivarius</i> SD-5851; <i>Bacillus licheniformis</i> BL-GA26; <i>Bifidobacterium bifidum</i> SD-6576; <i>Lacticaseibacillus casei</i> LC-11; <i>Lactobacillus sakei</i> 6853; <i>Lacticaseibacillus paracasei</i> 134134; <i>Lactococcus lactis</i> SD-5848; <i>Lacticaseibacillus rhamnosus</i> GG; <i>Limosilactobacillus fermentum</i> ; <i>Propionibacterium freudenreichii</i> ; <i>Bifidobacterium lactis</i> SD-5859		

Biome Protect	35mg	*
Activated Carbon, Silica		

*Daily Value not established.

**At time of manufacture.

Other Ingredients: Potato Starch, Acacia Gum, Cellulose, Rice Extract, Rice Hulls, Leucine, and Sunflower Oil.

KEY INGREDIENTS & BENEFITS

***Lactobacillus rhamnosus* GG, *Ligilactobacillus salivarius*, *Lacticaseibacillus paracasei*:** Support gut barrier integrity, immune signaling, and inflammation balance essential for clear, healthy skin through the gut–skin axis.

***Bifidobacterium bifidum*, *Bifidobacterium lactis*:** Promote healthy bowel transit and fiber fermentation, producing beneficial metabolites that aid detoxification and enhance skin clarity and resilience.

***Bacillus licheniformis*, *Limosilactobacillus fermentum*:** Enhance microbial diversity and antioxidant activity, helping reduce oxidative stress associated with premature aging and inflammatory skin conditions.

***Propionibacterium freudenreichii*, *Lactococcus lactis*:** Produce beneficial postbiotic compounds that support colon health, microbial balance, and a balanced gut–skin axis.

***Lacticaseibacillus casei*, *Lactobacillus sakei*:** Provide targeted support for mucosal immunity and microbial equilibrium, helping regulate inflammation and promote overall skin health.

Activated Carbon, Silica (Biome Protect): Safeguards probiotics from oxygen and moisture, ensuring stability, viability, and optimal delivery for skin–supportive benefits.

ALLERGEN & DIETARY INFO

- cGMP Facility
- Dairy Free
- No Sugar
- Vegetarian
- Gluten Free
- Non-GMO

INSTRUCTIONS

Maintenance dose: Take 2 capsules daily.

Therapeutic dose: Take 3 capsules daily.

Refrigerate after opening to preserve potency.

SAFETY & CONTRAINDICATIONS

- This formulation is generally safe and suitable for use during pregnancy and lactation under the guidance of a qualified healthcare professional.
- Suitable for supporting gastrointestinal, immune, and skin health in pediatric populations under practitioner supervision.
