

ROX

Super Antioxidant

Hormone

Detox

Brain

KEY INDICATIONS

- Elevated oxidative stress or inflammation (UR-Oxy test)
- Cardiovascular or vascular stress
- Liver or detoxification burden
- Immune stress (recurrent illness) or frequent infections
- Post-viral or post-inflammatory recovery
- Aging-related decline
- Preparation for or support during intensive protocols

HOW IT WORKS

ROX is designed to provide broad-spectrum antioxidant protection while supporting mitochondrial energy, liver detoxification, immune balance, and vascular integrity, making it appropriate when oxidative stress affects multiple systems simultaneously.

CLINICAL PEARLS

- Excellent preparatory formula before detox or antimicrobial protocols for improved tolerance.
- Pair with **EnerGenic** for mitochondrial energy during fatigue, metabolic stress, or detox phases.
- Pair with **HQ - Heart Energy** for cardiovascular support or heart energy needs under vascular stress, endurance demands, or recovery.
- Use with **CVO-R** for vascular and endothelial stress without overstimulating circulation.

SUPPLEMENT FACTS

Serving Size: 2 capsules Servings: 30

	Amount Per Serving	%DV
Vitamin A (Beta Carotene)	5000 IU	100%
Vitamin C (Mag Ascorbate)	98 mg	160%
Selenium (L-Selenomethionine)	20 mcg	28%
Proprietary Blend	960 mg	*
Milk Thistle (Seed); Trans-Resveratrol; Wine Extract; Turmeric; Noni; Green Tea (Ext); Grape Skin (Ext); Grape Seed (Ext); Acai; Rose Hips; Thyme; Cranberry (Ext); Coenzyme Q10; L-Arginine HCl; L-Tyrosine; Hydroxyquinoline; Oregano		

*Daily Value not established.

Other Ingredients: Gelatin, Leucine, Vegetable Stearate, and Silica. 1/21

INSTRUCTIONS

Maintenance dose: 1 capsule, twice daily, with or without food

Therapeutic dose: 2 capsules, twice daily, with or without food

ALLERGEN & DIETARY INFO

- cGMP Facility
- Non-GMO
- Gluten Free

SAFETY & CONTRAINDICATIONS

- ROX is generally well tolerated.
- In general, herbal formulas are not recommended during pregnancy and lactation or for children 12 years or younger. Each case should be assessed on an individual basis and the practitioner, along with the patient, may use their professional judgment and decide when to use it.

KEY INGREDIENTS & BENEFITS

Trans-Resveratrol: A polyphenol that supports cellular defense and longevity pathways.

Green Tea Extract: Provides catechins, particularly EGCG, which support antioxidant defense, cellular detoxification, and metabolic efficiency.

Grape Seed Extract: Provides proanthocyanidins that protect cell membranes, connective tissue, and vascular integrity.

Milk Thistle: Supports hepatic antioxidant capacity through silymarin that helps protect liver cells from oxidative injury.

Grape Skin Extract, Acai, Rose Hips, Vitamin C: Work synergistically to provide layered antioxidant protection and support vascular, connective tissue.

L-Arginine Hcl, L-Tyrosine, Coenzyme Q10, Turmeric, Noni, Cranberry Extract, Oregano, Thyme, Hydroxyquinoline, Selenium, Vitamin A (as Beta Carotene): Complement the primary antioxidants by supporting nitric oxide signaling, mitochondrial energy production, detoxification, immune balance, and inflammatory control.
